### Insight into Medicine conference.

Each week from **Saturday 6 May**, Medic Mentor will have a fantastic line-up of doctors who will talk about their career and answer any questions you have. Do not miss out on this rare opportunity to speak to doctors and understand what a career in medicine is all about!

To register for this event please click [here](#).

**MEDIC  
MENTOR**   
YOUR MEDIC FAMILY

**One day,  
everyone will  
build the  
essential skills  
to succeed**

### Skills Builder

Skills are in demand every bit as much as qualifications. What skills do you have and how can you demonstrate those skills when applying for a job? Use the Skills Builder Launchpad to help you build your own essential skills through free online interactive modules. Click [here](#) for more information and on the image on the left for a short introductory video.

Follow us on Twitter and Instagram @Tranby\_Careers and "Tweet" yourself to a wealth of up to date careers information, advice and guidance.

Please can all students who have arranged work experience placements for themselves, during upcoming holidays, ensure that Mrs Harding has been informed so that the correct administrative checks be put in place prior to the placement going ahead.

## How to find the work experience placement you really want!

Need help arranging your Work Experience placement?

Click [here](#) to access the recording which might give you and your parents some great ideas on how to find that elusive placement.

Want to get ahead of everyone else? Join **Startup Sherpas Super Squads** to stand out from the crowd, and get paid in the process! You get a reference from them that you can use for applying to sixth form colleges and Universities. Click [here](#) to apply

## Uptree

It's never too early to start thinking about your career. But with so many options to choose from, and so many paths to success, it's hard to know where to begin. That's where **Uptree** comes in. They are a free professional networking platform, aimed at students aged 16-21, designed to help you get started in the world of work, get work experience, find apprenticeships and begin your dream career. Check out their new [Student Resources Hub](#) to access downloadable resources to help you develop your employability skills and click [here](#) to register

# Uptree

**pwc**

Applications for **PwC's Virtual Insight Programme**, taking place 24 - 26 July close on **19 May**. The Virtual Insight Programme is open to Year 11 and 12. Through their interactive sessions, students will get to experience PwC's different business areas such as Audit, Consulting, Tax, Technology and Operation to find out what it means to be an expert in that area. They can also take part in a variety of skills sessions which will build their personal and professional skills, preparing them for future applications and for the workplace. Click [here](#) to register.

## Speakers for Schools

Speakers for Schools have conducted research into the efficacy of virtual work experience and have concluded that virtual work experience can deliver many of the same proven key benefits found to be associated with in-person employer engagement. Click [here](#) to download the full report and click [here](#) to access a list of virtual work experience providers.

## The Parents Guide to Apprenticeships

A useful guide to help parents/carers understand what a modern apprenticeship looks like, the different levels and the various sectors they are available in. Click [here](#) to read the full online guide

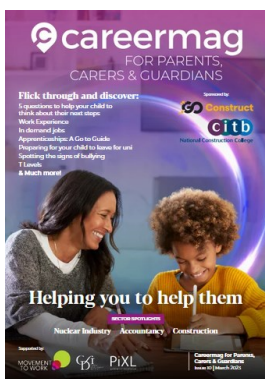

## The Parents Guide to University

Packed with information about UCAS applications, personal statements, open days, results day, finance, accommodation and much more. This [guide](#) is a must read for any parents/carers who need help supporting their child with next steps after sixth form.

## [The Parents Guide to...](#)

Feel confident about talking to your teen about their choices for the future. If you're a parent of a teen aged between 14 and 19, we're here for you with everything you need to know about options after GCSE or Sixth Form AND what you can do at home to improve your teen's wellbeing and help them with their studies

## Careermag for Parents

We recognise that Parents and Guardians can have a huge influence on a young person's next steps. When asked by their teenager 'What should I do next?' many parents can feel overwhelmed. So much has changed since they left school/college, which is why [Careermag for Parents](#), Carers and Guardians aims to inform parents so their young people can feel supported - whether they'd like to go to University, do an Apprenticeship, Work Experience or T Levels.

## Virtual work experience - why it can help your child stand out

Virtual work experience (sometimes called online, remote or digital work experience) gives young people a chance to gain experience in the workplace, develop their skills, boost their employability and explore new industries and job roles. Read the full article [here](#). There is also an extensive list of companies that offer virtual work experience.
