

TRANBY HIGHER EDUCATION, WORK EXPERIENCE, APPRENTICESHIP & CAREERS NEWS

CAREERS BREAKFAST MEETINGS

We welcomed **Caroline Neadley** of **Rollits LLP** to our most recent Careers Breakfast Morning on **May 12**. The meeting was attended by pupils from Year 7 through to Year 13 and Caroline shared a fantastic presentation with us detailing all the possible pathways into a career in Law.

Our next speaker will be **Michael Moore**, Managing Director of **J Marr (Seafoods) Ltd.** (part of the **Andrew Marr International Group**). J. Marr (Seafoods) Ltd. is one of our region's most successful businesses specialising in global fish, meat and poultry trading and Michael will be visiting us on **Wednesday 15 June** from **8.00-8.45am** to talk about his exciting career journey from growing up in South Africa to settling with his family in East Yorkshire.

This meeting is open to all senior school pupils but would be of particular interest to anyone interested in a career in **international trade, logistics and business**. If your child would like to attend this breakfast meeting, please email Mrs Jo Harding to register an interest **before Wednesday 8 June**

Careers Breakfast Meeting 2022-23

Who would you like to invite to present at future Careers Breakfast Meetings? Please complete [this form](#) to have your say

WORK EXPERIENCE

Please can all students that have arranged work experience placements for themselves, ensure that Mrs Harding has been informed so that the correct administrative checks be put in place prior to the placement going ahead.

Medical Projects are pleased to invite you to their **UK Medical Experience Week**

You will spend a full week on campus at a London university, gaining hands-on experiences with state-of-the-art medical equipment. This camp is for students aged 16+.

Included in UK Medical Experience Week:

- A week on-campus at a London University
- Teaching by UK Doctors and current medical students
- Gain hands-on practical medical experience
- State-of-the-art A&E patient simulations
- University application advice and guidance including UCAT, BMAT and personal statements
- Medicine interview guidance with mock interview and feedback
- Private accommodation for our students
- Staff supervision 24/7
- Course dates weeks commencing 10th, 17th & 31st July and 7th August 2022

Spaces are limited, so early registration is required. Please see the registration link [here](#)

Pupils in Years 10 and above who are interested in a career in **construction and engineering**, please [click here](#) for more information and how to get involved.

Some events will be on site, whilst others will be virtual but all with showcase professionals working within the highways, construction and engineering industry. It will also give pupils an opportunity to get involved in a series of activities which will give them an idea of what it is like

Emmanuel Cambridge: Lucy Cavendish GCSE to A-Level Bridging Programme

Lucy Cavendish College
University of Cambridge

The Lucy Cavendish College Summer Preparation Programme 2022 is designed to bridge the gap between GCSE study to A-Levels by providing students with a month-long programme of academic enrichment tailored to their stage of the curriculum. The programme will consist of study skills workshops on a range of important themes such as time management and essay writing, university readiness sessions to support students as they plan their next steps to top Universities like Cambridge, and substantive knowledge sessions, designed to supplement students' foundational academic knowledge so that they can hit the ground running when they start their A-Levels. For more information and to apply, please click [here](#)

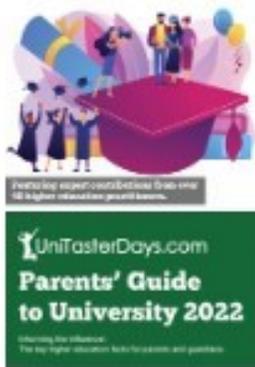

Field Studies Council: Young Darwin Scholarship

If you are aged 16-25 with an interest in the natural world and are looking to enhance your understanding, explore your environmental options and want to be part of a community of young people who share similar interests, then this scholarship is for you!

The scholarship starts with a heavily subsidised and immersive 5 day residential trip, or series of days, which involves a lot of time outdoors in environmentally engaging locations. Following this you will then receive mentoring and support in a number of ways to provide you with all you need to advise and assist with your chosen environmental pathway.
