

TRANBY HIGHER EDUCATION, WORK EXPERIENCE, APPRENTICESHIP & CAREERS NEWS

CAREERS BREAKFAST MEETINGS

It was a honour to welcome **Rachel Miller** to our Careers Breakfast Meeting earlier this week. Rachel talked about her exciting and varied career as a dentist and shared her perspectives on the university admissions process for dentistry and medicine. Next month we will be welcoming Alumna, **Sophie James**, to talk about her career in Green Engineering. The date of the November Breakfast Meeting will be **Tuesday 8th November** and is scheduled to coincide with National Green Careers Week. The session will include both green engineering, and general advice on CVs and employability skills. Sophie guarantees that it will be one of the most interactive and helpful students will attend, because it's a 2 way session to help students think about their own career possibilities. Please email jo.harding@tranby.org.uk with your interest to attend

- Provide real-time insights into how the world of work is changing

University of Exeter—[Advice for Parents](#)

The decision to go to university is a big step for students, and finding the most suitable course and place to study can be a daunting task. The University of Exeter recognises that parents, guardians, carers and relatives can all play a vital role in choosing and applying for university. To support families during this process, whether you have some or no experience of higher education, they’ve gathered the key information that you will need to help guide a young person through the application journey. Their [jargon buster](#) can help parents to navigate the application process, explaining all the terms you'll come across.

Their online [Discover University](#) platform provides information, advice and guidance for prospective students, parents/guardians, teachers and advisers about studying at university. Click [here](#) to sign up to the free parent webinars which run from now until next July.
