# What is Unifrog?

Unifrog is a one-stop-shop where students can easily explore their interests, then find and successfully apply for their next best step after school.

Unifrog will help you to explore your key interests and what career paths you can take to reach your goals!

# By the end of today's session, we will:

- Understand how Unifrog can support your future decision-making and career options
- Explore some of the exciting features of the platform
- Create your very own personal Unifrog accounts!

The screenshot shows the Unifrog user interface. At the top, there is a navigation bar with links for HOME, FAVOURITES, LOCKER, APPLY, HELP, and a SIGN OUT button. Below the navigation bar, a personalized greeting reads "Hello Kaya, here's a summary of your progress so far...". A central progress indicator shows a circular gauge at 39% complete, with a star icon indicating the user is in the "4th in year group". Below this, a recommendation box suggests to "Start to record your Activities" with a 2.5% progress bar. A link "See all your tasks" is provided. The main content area is titled "ACCESS ALL THE TOOLS BELOW" and "Exploring pathways". It features several tool cards: "Interests profile" (Quiz not taken), "Personality profile" (Quiz completed: INFP), "Careers library" (Careers favourited), "Subjects library" (Subjects favourited), "Know-how library" (Guides favourited), "MOOC" (You have 1 shortlist), and "Webinars" (Hear directly from the experts). Each card includes a "Start" or "Go to tool" button.
