Virtual Work Experience and Exploring the Veterinary Profession

Learn what it takes to become a vet and explore the challenges of the vet profession to decide if it's the right career for you. On this course, you'll get insight into the reality of life as a vet so that you can make an informed decision before embarking on a veterinary degree course. Click [here](#) for more information and to register

Bring the Drama Festival on the ERIC app

Complementing the six-part BBC Two and iPlayer series that opens up the world of screen drama, this Festival is your chance to look behind the scenes of film, TV and theatre. If you're interested in a career in stage or screen, or want to find out more about working in the world-beating cultural industries, then you're in the right place! On offer are hundreds of events from more than 150 partners, with a range of activities including talks, tours, workshops, masterclasses, Q&As and 'meet the teams'. You can connect - through the [ERIC careers app](#) - with the hundreds of events that are happening in locations across the UK.

Find the right career path for you, in your own time!

Navigating the world of work can be daunting and stressful. So why not complete Springpod's [virtual work experiences](#) around your studies and get a taster of what is out there. There are 88 programmes from accounting to construction, from engineering to veterinary all designed to give you the information you need to plan your next steps.

Kennedys virtual work experience in Law

The aim of the [virtual work experience programme](#) is to widen access to legal work experience to a diverse range of students and provide a unique insight into law and Kennedys. The programme gives you the opportunity to complete legal work experience virtually, completing real life tasks created by [trainees](#) and [apprentices](#). Throughout the programme, you will gain legal analytical skills, develop legal knowledge of the insurance industry, and learn critical legal communication, research, and drafting skills that will help set you up for your future career in law.

Rate My Apprenticeship—A Parent's Guide to Apprenticeships

Young people's priorities have changed since Covid-19, with 73% now considering an apprenticeship to future-proof their career. The opportunity to bypass £45,000 of student debt by going to university and getting a paid job straight out of school or college has become too good to pass up. So the more you know about apprenticeships, the better. Click [here](#) to read more

A Guide to Career Options 2024

The Rate My Apprenticeship team have also issued [this guide](#) for school and college students. Inside, you'll find everything you need to know about the career options available to you, and how to get there.

The guide also features the Best 100 Apprenticeship Employers & Best 50 Training Providers 2024, as voted for by 1000s of apprentices across the UK.

Success at School have a range of parent guides and newsletters which you can sign up to receive by clicking on this [link](#) and registering.

National Careers Week is 4-11 March and each day they will focus on a different area of work including job roles and the different pathways in to these careers.

Monday: Law

Tuesday: Banking, finance and accountancy

Wednesday: Engineering

Thursday: Tech

Friday: Entertainment

[Sign up](#) to receive this information direct to your email

It's **National Careers Week 4-11 March 2024!** Parents can be unsure of their teen's options after GCSE or sixth form so The Parents' Guide to, in partnership with National Careers Week, has created this free guide giving an overview of what's available at 16 and 18 years' old and summarizing different routes teens can take into the workplace. [You can download your copy here.](#)

If your child has arranged **work experience placements** for themselves please ensure that Mrs Harding has been informed so that the correct administrative checks be put in place prior to the placement going ahead.
