

# TRANBY HIGHER EDUCATION, WORK EXPERIENCE, APPRENTICESHIP & CAREERS NEWS

## November Careers Breakfast Meeting

Our next Careers Breakfast meeting will be with Senior Broadcast Journalist for the BBC, Jo Makel. Jo is a familiar face on TV reporting on a wide variety of news stories in our region. The meeting will take place on Wednesday 15 November at 8:00am. Please click on this [link](#) before Wednesday 8 November to register your interest to attend. The meeting is open to all Senior School students but may be of interest to those interested in a career in journalism

## Green Careers Hub

Green Careers Week is from 6-11 November 2023 and the mission of the Green Careers Hub is to ensure a more sustainable future by providing access to information and opportunities around green skills, jobs and careers. This is a platform anybody, from any sector or background, can use to understand the role they can play in greening the economy. Click [here](#) for more information.

## Career of the Month— Environmental Engineering

To coincide with Green Careers Week, the career of the month is Environmental Engineer. These engineers assess the environmental impact of projects concerning waste management, land reclamation and pollution control. To find out more, click [here](#).

Follow us on Twitter and Instagram @Tranby\_Careers and “Tweet” yourself to a wealth of up to date careers information, advice and guidance.

# WORK EXPERIENCE & SKILLS

Please can all students who have arranged work experience placements for themselves, during upcoming holidays, ensure that Mrs Harding has been informed so that the correct administrative checks be put in place prior to the placement going ahead.

## Career Days Online Work Experience

There are new dates for career and work experience sessions taking place online over the next couple of months. The days are designed to give students an insight into possible future careers with advice on how to apply to university followed by an afternoon session of work experience to help them see what the career may be like. Students will receive a certificate confirming their work experience. Students aged 13-18 can register to join the online days through [the website](#).

### The schedule is as follows:

- Midwifery Career Day - Saturday 21st October 2023
- Dentistry Career Day - Saturday 28th October 2023
- Business Career Day - Sunday 5th November 2023
- Psychology Career Day - Saturday 11th November 2023
- Architect Career Day - Saturday 18th November 2023
- Vet Career Day - Saturday 25th November 2023
- Law Career Day - Saturday 2nd December 2023
- Computer Science Career Day - Saturday 9th December 2023

## Unifrog Subject Showcase : Computer Games Design

The UK games industry is now worth £3 billion and employs 47,000 people. Studying computer games design courses can develop design, technical, creative, and business skills.

Learn more about available courses, the skills needed to succeed, career opportunities, and see an annotated Personal Statement in this Unifrog [subject guide](#).

## Work Experience and Networking Event in Manchester

Young Professionals are thrilled to extend an exclusive invitation to Year 11, 12 & 13 students for an upcoming work experience event featuring some of the world's leading employers. Taking place on **Thursday, 26 October, at the Hilton Deansgate Hotel in Manchester 9:30am - 1:30pm**, this event promises to be a fantastic opportunity for you to connect with renowned companies such as Deloitte, Amazon, KPMG, and many more. See here for more information and to [book your place](#).

# APPRENTICESHIPS

## Insight into Apprenticeships Event

Siemens Mobility are hosting an **Apprenticeship Insight Evening** in Goole on Monday 13 November for Year 11 and Year 13 students and their parents. Join them for an insight into the apprenticeship programmes on offer from Summer 2024 (engineering and non-engineering). For more information on the evening and to book a place click [here](#)

## Early Career Programmes & Apprenticeships in Horseracing

Have you ever thought about a career in the Horseracing industry? There are various career paths you can take, some of which you may never have even thought about and a wide range of training to support you on your journey. Foundation training at racing schools, the National Horseracing College and the British Racing School, leads to completing an apprenticeship in a racing yard, which allows you to work hands-on with horses. Click [here](#) for more information.

## Success at School

See Success at School for information about [apprenticeship vacancies](#) with PwC, Deloitte, BP, Dentons and more than 70 different Army apprenticeships.

HMGCC

### Why not research some of these apprenticeships?

- Crime Scene Photographer
- Digital Journalist
- Formula One Engineer
- Equine Dentist
- Explosives Storage & Maintenance

Click [here](#) to read more

## HMGCC Apprenticeships

His Majesty's Government Communications Centre are all about exploring the limits of technology and discovering the unexpected. Their systems help protect national security – both at home and overseas.

If you're ready to put your creativity, curiosity, and passion to good use, they've got an apprenticeship with your name on it. So click [here](#) to apply to join their diverse team and play an essential role in keeping our nation safe.

## Royal Air Force Apprenticeships

An apprenticeship in the Royal Air Force is a unique experience where you will be given hands on training with some of the most experienced and highly trained personnel in the world. Not only will you gain a professional qualification that's recognised in the civilian world, you'll also have a guaranteed job in your chosen field once you've completed it.

You'll receive the very best training and as well as getting paid to learn, you'll get the chance to travel the world, play sport and perform an important role in the RAF. Find out more [here](#).

## Sheffield Hallam University Built Environment Taster Days

Join the SHU Built Environment Team for a hands-on insight into their degree courses in Real Estate, Construction, Quantity Surveying and Building Surveying.

Dates 1 November & 22 November

Email [sclo@shu.ac.uk](mailto:sclo@shu.ac.uk) to book your place or enquire about other dates

### Insight into University

Insight into University Residentials are summer schools run over 4 or 5 days where students get a taster of university life and an insight into a specific STEM subject. Students will get the opportunity to experience university style lectures and work on activities and group projects with the support of academics and student mentors. Students will stay in halls of residence and will take part in social activities in the evenings.

These courses are for Year 12 students and are a great way to try out a STEM subject at university before applying. This allows students to make a better informed decision for their UCAS application, as well as meeting like-minded students from all over the UK. See [here](#) for more information and booking details

TIMETABLE	DATES
10:00 Introduction to the university	WEDNESDAY 1st November 2023
10:15 Morning masterclasses <small>Delivered by staff and employers</small>	WEDNESDAY 22nd November 2023

## The Parents Guide to Green Careers Week—November 2023

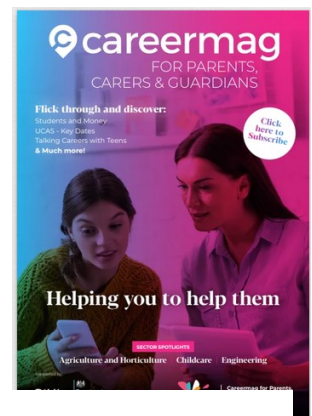

View & [download](#) the Parents Guide to Green Careers Week. The second Green Careers Week will be held between 6 and 11 November 2023 and we couldn't be more excited about it.

Supported by some fantastic partners including STEM.org.uk, UK Space Agency, National Careers Service, the DfE and the CEC and others who want to help young people get to grips with emerging technologies and careers that will change the world for the better.

## Careermag Parent Guide

The latest edition of [Careermag for Parents](#), Carers & Guardians is now live! With more expert guides, tips and advice to *help you to help them*:

- Students and money
- UCAS - Key Dates
- Talking Careers with Teens & *much more!*

## ARMY MEDICAL SERVICES BURSARIES

The Army can offer financial assistance and support while you complete your qualifications.

- Medicine (up to £75,000)
- Dentistry (up to £75,000)
- Veterinary (up to £60,000)
- Pharmacy (up to £51,000)
- Nursing (adult and mental health) (up to £42,000)

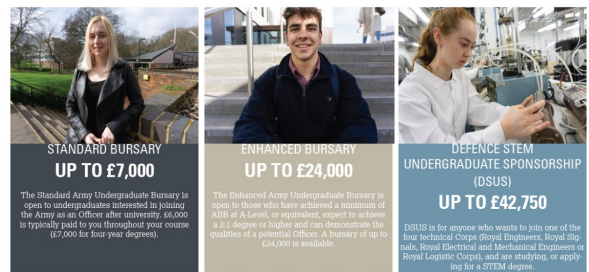

In all cases, you'll need to pass the Army Officer Selection Board

### HOW TO APPLY FOR A MEDICAL BURSARY

You must pass the Army Officer Selection Board for professionally qualified officers and a specialist selection board. You should apply no later than your second year to qualify for the full amount. You should be aged between 18 and 39. Apply by the end of January, while you're still at university.

## ARMY OFFICER UNDERGRADUATE BURSARIES

## Army Officer Scholarship Scheme

The Army Officer Scholarship Scheme guarantees your child up to **£10,000** in financial support, starting in academic Year 13. It also guarantees your child a place at the Royal Military Academy Sandhurst and a career as an Army Officer when your child finishes education. Your child will receive **£3,000** while they are in Year 13, then a Standard Bursary of **£6,000** while they're studying at university (**£7,000** for a 4-year degree).

Army Scholars can apply to join any Corps for which they are eligible. Your child does not have to make a final decision about which Regiment or Corps they want to join until they're at Sandhurst, unless they're thinking about joining as a Professionally Qualified Officer, such as a Doctor, Dentist or Lawyer. Find out [more](#).
