

TRANBY HIGHER EDUCATION, WORK EXPERIENCE, APPRENTICESHIP & CAREERS NEWS

January Careers Breakfast Meeting - Caroline Neadley, Rollits LLP

Caroline Neadley, Partner with Rollits LLP is back by popular demand. Rollits is one of Yorkshire's leading law firms with offices in Hull and York. This next Careers Breakfast Meeting is on **Thursday 11 January 2024** and is open to all senior school students but will be of particular interest to students wanting to find out about careers and pathways into Law. Click [here](#) to register your interest to attend

British Space Week

In October, we celebrated World Space Week with engaging virtual talks designed specially for schools. These sessions delved deep into the captivating realm of space, featuring an impressive line-up of expert STEM Ambassadors. Here are the links to the recordings if you missed the session in school:

World Space Week Q&A for KS2/3: Andrew Gray from Space4All Education, insights into various space-related topics and answers viewers' questions. Watch it [here](#)

Small Satellites and their Applications: Dr Chantal Cappelletti from The University of Nottingham explores the history and impact of satellites on our daily lives. Watch it [here](#)

Retired Silicon Chip Engineer Michael Drinkwater sheds light on the role of silicon chip engineering in space missions and his involvement in the Giotto and Cassini/Huygens missions. Watch it [here](#)

Morrisby's Career of the Month— Data Analyst Statistician

Data analyst-statisticians use statistical methods to collect and analyse data; they create models, and design and carry out research, reaching conclusions or interpretations about trends from the results. Much of their work is done using sophisticated computer programs. Find out more [here](#)

Follow us on Twitter and Instagram @Tranby_Careers and "Tweet" yourself to a wealth of up to date careers information, advice and guidance.

How To Find a Great Work Experience Placement!

60 minutes of really practical advice to help young people connect with employers and find a GREAT work experience placement.

At the end of the session, you'll have a list of things that you can do that will really help you find a great placement.....and you'll be able to get straight to work! Catch up on demand [here](#)

Experiences of the workplace are crucial in developing young people's confidence and readiness for work and, although in person work experience cannot be replaced, incorporating **virtual work experience** is an excellent way to help young people get a taste of the world of work! Youth Employment UK's virtual Work experience packages are [here](#) and they:

- **Include KS3-KS5 digital workbooks** for students to work through and embed their learning.
- **Focus on key employability skills** including communication, self management, teamwork, problem solving and self belief.

Kingswood have partnered with the National Citizens Service (NCS) and Loud Speaker to deliver two FULLY FUNDED 5-day skills building residential programmes across the UK! These include the [Boss It Programme](#), building young people's employability skills, and the [Live It Programme](#), building young people's skills for life. These programmes are completely FREE for 16-17 year olds. These completely free programmes are open until 31 March 2024

University Case Study Films

In these case study videos, current students and recent graduates discuss their journey to university. This includes reflecting on subject, qualification and degree choice as well as life at university and progression to future careers.

Filter the video clips by Degree subject, University, choosing GCSEs and A Levels and much more. Click [here](#) to access.

24 leading universities working together with schools and colleges

Informed Choices

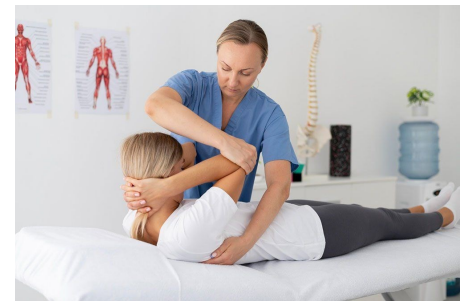

Choosing the right subjects to study post-16 is very important in helping you to get into university, particularly a Russell Group university.

If you don't know what degree subject you want to study, it's important to choose A Levels (or equivalent qualifications) that keep as many options open to you. Whatever your situation, [Informed Choices](#) can give you the start you need in deciding what to do next

Physiotherapy at The University of Hull

The University of Hull are hosting a webinar on the 5 December aimed at students who may be interested in studying Physiotherapy. They will run through how the course is structured, what they look for in an application, and where this degree could take you. Students will be able to ask questions throughout.

To register for the webinar please click [here](#) or search for University of Hull Webinars.

Winter Webinars

Take part in UK University Search's December Winter Webinars hosted by expert university reps. The schedule is as follows:

Tue 5 December **Personal Statement & application** - 12-13:15

Wed 6 December **Choosing a course/university** - 12-13:15

Thu 7 December **Preparing for University** - 12-13:15

Click [here](#) to register.

Upcoming University & Apprenticeship Fairs

[Leeds Elland Road Stadium Friday 8 March 2024](#)

[University of Sheffield Thursday 14 March 2024](#)

The events will feature a multitude of exhibitors including Russell Group, red brick and modern universities, as well as apprenticeships representing top UK companies and local providers. Vital seminars taking place will include UCAS personal statement, degree apprenticeships and student finance.

Youth Employment UK

As a parent you are expected to have all the answers, but in a constantly evolving world it can be a struggle to keep up with the latest options out there. Are apprenticeships right for your child? Should they be considering BTECs or A Levels? And how can you guide your child to make choices at GCSE and A Level that will set them up for a brighter future? Click [here](#) for more.

My World of Work—Parent & Carer Support

My World of Work can help spark career ideas for your child. You can use their tools and resources to guide them through every stage of their career development. See [here](#) for more information

My Choices

One Stop Guide to help you support your child with next steps and careers choices

Faced with sometimes difficult or scary decisions about next steps, you may appreciate resources to help guide your son or daughter's thinking, particularly if their plans need to change. [This guide](#) is designed to support on and around results days, with links to useful resources or videos to help your son or daughter make the right decision for them.

My Choices
Parent and Carer Guide

If your child has arranged **work experience placements** for themselves during upcoming holidays, please ensure that Mrs Harding has been informed so that the correct administrative checks be put in place prior to the placement going ahead.
