

TRANBY HIGHER EDUCATION, WORK EXPERIENCE, APPRENTICESHIP & CAREERS NEWS

CAREERS BREAKFAST MEETING

Our next Careers Breakfast Meeting will be held at 8.00am on **Wednesday 18 January 2023** in the Drawing Room. Our presenter will be **Christopher Roberts**, Partner and International Tax Leader at **KPMG LLP**. Christopher has a degree in Politics, Philosophy & Economics from the University of Hull, is a Chartered Tax Advisor and has an EMBA from the University of Edinburgh. Christopher did not set out to be an expert in international tax when he was making his subject choices at school but his story will illustrate how you never know what possibilities are open to you in your future and where your choices will take you. Register your interest to attend by Wednesday 11 January by emailing jo.harding@tranby.org.uk

Careermap are excited to announce that they will shortly be launching their [CareermapTV Channel](#) on YouTube. They've been working hard to create content that helps to support young people with careers information about apprenticeships, university, work experience and much more. There is also a section for parents.

Follow us on Twitter and Instagram @Tranby_Careers and "Tweet" yourself to a wealth of up to date careers information, advice and guidance.

The **Parent Perspective** is an exciting podcast series for parents and carers, helping them to support their children with careers advice and guidance. All episodes of the Parent Perspective Careers Podcast are available to download [here](#).

If any parents think their company/employer would be interested in hosting a stand at our annual **Careers Fair** on **8 March 2023**, please ask them to contact [Jo Harding](#) to discuss.

Click [here](#) for the latest apprenticeship information & advice for parents, supported by the Education and Skills Funding Agency.

NHS Careers

There are **more than 350 different careers** in the NHS. Many work with patients while others work behind the scenes. What they all have in common is that they make a difference to people's lives.

To find the NHS careers that best suit you, all you need to do is answer some simple [questions](#).

**Next Tech Girls Ask Me Anything with Nikki Anderson-Stanier,
User Researcher**

Tuesday 13 December 16:30 - 17:30, online

[Click here to find out more and register to attend](#)

Nikki studied psychology at university and planned to become a clinical psychologist before finding out that she could use her knowledge as a user researcher in the tech industry, without needing to do any coding! She's since worked for several companies including in travel and fashion, helping them to make their products better for users. This is your chance to ask Nikki all about her studies and career so far, and figure out if user research could be a future career for you.
