

TRANBY HIGHER EDUCATION, WORK EXPERIENCE, APPRENTICESHIP & CAREERS NEWS

CAREERS BREAKFAST MEETINGS

It was a pleasure to welcome Christopher Roberts, Partner and International Tax Leader at KPMG LLP to our recent Careers Breakfast Meeting on **Wednesday 18 January**. It was great to hear about Chris' exciting career pathway and all the fascinating work he does with companies like, Facebook, Netflix and Ineos. He even shared a bit of hot off the press premier league football information with us! On **Tuesday 24 January** we, once again, welcomed the inspirational **Professor Brad Gibson** of **The University of Hull Physics Department** and some of his students to our school. Professor Gibson told our students all about the internship opportunities available for our students to apply for. Please speak to Mr Fong or Mr Norris if you would like more information about those opportunities.

Follow us on Twitter and Instagram @Tranby_Careers and "Tweet" yourself to a wealth of up to date careers information, advice and guidance.

Please can all students who have arranged work experience placements for themselves, during upcoming holidays, please ensure that Mrs Harding has been informed so that the correct administrative checks be put in place prior to the placement going ahead.

Live online career challenges with Digdata—Click [here](#) for registration and programme

Students interact with data champions from leading brands and services in fun, innovative work-experience challenges. By using data to solve a real business or social problem, students will learn the skills required for a career in the data industry. The live briefing sessions are hosted by young professionals in the data industry, providing students with an opportunity to engage with relatable role models.

UNIFROG

Unifrog is a great place to find help with all things work experience. [Login](#) then type “work experience” in the “search for tools, guides and your content” search bar and view a whole load of resources to help you find the perfect work experience opportunity.

Investin Career Experiences

Investin offer teenagers the chance to test drive their dream career, through a range of [immersive career experiences](#). On the programmes, students gain hands-on experience alongside top industry professionals, enabling them to make the right career decisions and maximise their potential.

- Careers Advice Lounge
- CV Clinic
- US University Zone
- STEM Challenge and lots more

[Year 11 and 12 Think Cambridge Webinars January—February 2023](#)

Think Cambridge is a three-week long series of webinars to inspire Year 11 and 12 students to apply to Cambridge.

UNIVERSITY OF
CAMBRIDGE

During week one, students will hear from student ambassadors about their personal experiences at Cambridge. Teachers, parents and supporters are also welcome in week one for webinars.

In week two, lecturers and Admissions Tutors, will introduce students to the broad range of subjects available at Cambridge and the exciting projects students are working on.

The series will finish with advice and resources to find out more, about studying at and applying to the University of Cambridge.

Students can apply using the booking form [here](#).

[Applying to Medical School in the UK](#)

This [report](#) gives a detailed overview of the medical school application process, as well as some key statistical analysis to help students optimise their medical school applications. **Ideal for students in Years 11 & 12.**
