Guidance for Prep School Parents

Remote Learning due to Covid-19

If your child is unable to come into school due to COVID-19 symptoms or a positive PCR result, we will provide remote learning.

Please note that our remote learning platform will **only** be provided to Prep pupils who have tested positive for Covid-19 and are asymptomatic or are feeling well enough to attend remote lessons.

Remote learning will be implemented approximately 24 hours after you have reported your child's absence and confirmed that they are well and ready for sustained learning and concentration. We recommend that rest and recuperation is prioritised for any children suffering from COVID symptoms.

Reception:

- A selection of activities issued via either a paper learning pack, parental email or uploaded to the Hub or Tapestry communication system
