

PROFESSIONAL PROFILE

At Tranby Sixth Form, we support you in creating a professional profile that reflects who you are, your strengths, and your ambitions. From applications to interviews, we help you present yourself confidently and stand out in a competitive world.

CREATING A STRONG FIRST IMPRESSION

You'll learn how to build a professional profile that makes a positive first impression. This includes developing a clear, well-structured CV, writing effective personal statements, and understanding how to highlight your skills, achievements, and interests.

BUILDING EXPERIENCE AND EVIDENCE

You'll be encouraged to take part in work experience, enrichment activities, and leadership opportunities that strengthen your professional profile. These experiences help you build real evidence of skills such as teamwork, responsibility, and initiative.

SUPPORTING YOUR NEXT STEPS

Whether you're applying to university, apprenticeships, or employment, Tranby helps you tailor your professional profile to different pathways. You'll learn how to adapt applications to suit specific courses, employers, and opportunities.

PRESENTING YOURSELF WITH CONFIDENCE

Tranby supports you in learning how to communicate your strengths confidently and professionally. Through interview practice, presentations, and workshops, you'll develop the confidence to speak about your experiences and future goals.

DEVELOPING A PROFESSIONAL ONLINE PRESENCE

Students are guided on how to create and manage a positive online professional profile, including using platforms such as LinkedIn appropriately. This helps you understand digital professionalism and how to represent yourself responsibly online.

READY TO STAND OUT

By the time you leave Tranby Sixth Form, you'll have a professional profile you can be proud of, one that clearly showcases your skills, experience, and potential, and supports you in taking confident next steps.
