

TRANSPORT GUIDE

2025/26

WELCOME

Dear Parents/ Guardians,

Thank you for taking the time to look at the School Bus Service for 2025/26. Tranby School is continuing to partner with Vectare, a specialist school transport software company, to optimise our transport offering.

One of the key benefits of Vectare is the ability to view seat availability in real time. You no longer have to worry about whether there will be a seat for your child on their preferred route. Through the intuitive system, you can instantly see which seats are available and make a booking accordingly. This real-time visibility ensures that you can plan your child's transportation more efficiently.

With Vectare, you will receive alerts when your child has boarded the coach. This feature keeps you updated and reassures you that your child is safely on their way to their destination. Moreover, Vectare allows you to track the coach yourself through the dedicated transport portal. By accessing the parent portal, you can easily monitor the progress of the coach and have a clear idea of when your child will arrive at their destination.

Vectare also offer booking flexibility to parents. The portal allows you to either book your child's transport for the whole year in one go or make one-off bookings as and when needed. To make the experience more accessible, Vectare is also available through the Vectare Passenger App. This mobile application allows you to manage your child's transport bookings on the go, making it easier for you to stay connected and in control.

May I also take this opportunity to remind anyone who doesn't currently use the bus service that they are more than welcome to do so. Should you wish to use the service, please visit tranby.vectare.co.uk to make a booking.

Yours sincerely,

Chris Wainman

TERMS & CONDITIONS

1. This agreement is made between all school bus passengers, their parents and Tranby School in order to provide safe, comfortable and civilised journeys for all passengers.
2. Arrangements for pupils' journeys to and from the school are the responsibility of their parents. To assist with discharging this responsibility, Tranby School provides a transport service.
3. Transport on the school bus service must be arranged in advance. If you wish to use the school bus service on an ad hoc basis, or to vary the details of their bus travel as a one-off, you should book travel via the website prior to travel. Payment for the service is made online at the time of booking and your child's name will automatically be added to the register. Bookings are to be made online via tranby.vectare.co.uk
4. Bookings on the school bus service are non-refundable in the event of a pupil failing to travel.
5. It will be the parents' responsibility to inform the school via the 'Contact Us' form on the website if they no longer wish to use the school bus service. A half term's notice must be given by a parent prior to the removal of a pupil from the school bus Service (apart from an ad-hoc journey). If an ad hoc journey is cancelled with more than 24 hours' notice the booking can be transferred to another journey. The cancellation can be made on the system but parents need to contact Vectare to apply the booking to a future date.
6. No pupil is permitted to travel on the school bus service if not pre-booked for that bus. Other arrangements for journeys to and from school must be made by them or their parents. Pupils must travel to and from Tranby School in full school uniform or a full school PE kit (except on approved non-uniform days).
7. Pupils should be at the bus stop five minutes before the scheduled time of departure to ensure they don't miss the service. In the evening, parents should be at the bus stop five minutes before the estimated time of arrival to collect a passenger.
8. Good conduct is required at all times. Bullying, shouting, use of foul language, dropping litter, eating, playing music, or any other misbehaviour is strictly forbidden.
9. Except when embarking or disembarking, all passengers must remain seated with their seatbelts fastened correctly.
10. Whilst on a school bus, all passengers must accept without question the authority of a transport company official or school member or staff who may ask them to obey any reasonable instruction such as to pick up litter, desist from certain actions or to move to a different seat.
11. Failure to comply with these conditions may result in disciplinary action, including temporary or permanent withdrawal of permission to use the school bus service.
12. Tranby School aims for 95% of journeys to operate within the transport industry window of tolerance of one minute early to five minutes late, however, timings may vary due to traffic conditions or unforeseen circumstances. Drivers will not wait past the scheduled departure time. This will not apply to the afternoon journeys due to having estimated journey times that will change on a daily basis.
