Tranby – United Learning Independent School

1. Policy Statement

Tranby recognises that high attendance and punctuality are fundamental to academic success, personal development, and the wellbeing and safety of pupils. This policy sets out expectations, procedures and responsibilities of all pupils, parents, staff, and school leaders at Tranby in relation to attendance.

Its purpose is to promote high levels of attendance and punctuality; to ensure every pupil has access to a full-time suitable education; to support families in meeting their legal obligations; to identify and address patterns of poor attendance early and to ensure there are clear procedures in place for monitoring and intervention.

Whilst all pupils have a right to full-time education and the school has high attendance expectations for all pupils, the school will account for the specific needs of certain pupils and pupil cohorts. In applying this policy, the school will consider its duties under the *Equality Act 2010* and the *UN Convention on the Rights of the Child*.

This policy was developed having regard to the following legislation and guidance:

- The School Attendance (Pupil Registration) (England) Regulations 2024
- Working Together to Improve School Attendance (DfE) 2024
- the School Attendance (Pupil Registration) (England) Regulations 2024

- Children Missing Education (DfE) 2024

Parents are expected to:

- Be aware of their legal obligation to ensure that their child(ren) of compulsory school age receive an efficient, full-time education suitable to their age, aptitude, and any special educational need they may have.
- Observe the school's term and conditions and be aware that failure to ensure a child's attendance or engage with the school about it could amount to a breach of contract or a finding that the parent is treating the school unreasonably.
- Ensure their child attends school daily and on time.
- Notify the school of any absence by 8:45am and provide a reason for it.
- Provide reasons and, if requested, evidence for absences (e.g., medical notes).

Pupils are expected to:

- Attend school daily and arrive on time.
- Be responsible for attending registration and lessons punctually.
- Remain on the school site during the school day except where attending an authorised activity.

6. Timings of school day and registration

- The senior school day begins at 8.45am and ends at 4pm, the prep day begins at 8.45am and ends at 3.20pm, pupils are expected to be onsite or attending a school approved activity for the entire day, this period may be extended for the purpose of attending clubs etc.
- Morning registration for Prep is at 8.45am; afternoon registration is at 1.15pm. Morning registration for seniors is at 8.45am and afternoon registration is at 1.55pm.
- Registers are taken electronically and completed within 10 minutes.
- If a pupil is absent when the register started being taken but arrives before the register is closed, they will be recorded as a late arrival.
- Late arrival after the register closes is marked as an unauthorised absence unless a valid reason is provided.
- Parents must notify the relevant school office by 8.45am on the day of any unplanned absence.
- Where there is an unexplained absence, Prep and Senior Reception will share with the relevant Attendance Champion, who will contact the parents to follow up on the same day.

7. Leave of absence

- Applications for authorised leave of absence during the school day will only be granted in exceptional circumstances and will only be permitted if made in writing to the Prep Head Cath.sweeting@tranby.org.uk or relevant senior head Chris.wainman@tranby.org.uk
- The school will consider each application for an authorised leave of absence individually, taking into account the specific facts and circumstances, the pupil's past attendance record, and the relevant background context behind the request.
- If a leave of absence is granted, it is for the prep/senior school Head to determine the length of the time the pupil is or was permitted to be away from School. It will be recorded as an authorised absence.
- A leave of absence will usually be authorised for religious observance if the day concerned is exclusively set apart for religious observance by the religious body to which parents and pupils belong. Parents are expected to make a request for this type of leave of absence in advance.

8. The Attendance Register

Attendance and absences are recorded in the school Attendance Register using the relevant codes as set out in *The School Attendance (Pupil Registration) (England) Regulations 2024* and the statutory guidance *Working together to improve school attendance (DfE) 2024*.

The Attendance Register will show whether a pupil is present, late, attending a place other than school or absent.

Absences are either:

- Authorised: e.g., illness, religious observance, medical appointments (evidence may be required).
- Unauthorised: e.g., holidays during term time without authorisation, absence without valid explanation.

The attendance register is kept electronically, and a back-up copy of the register is made at least once a month in the form of an electronic or printed copy. Registers are legal records and, in line with current legislation, the school will preserve every entry in the attendance register for 6 years from the date the data was entered.

Where amendments are made, the school will ensure the registers show the original entry, the amended entry, the reason for the amendment, the date on which the amendment was made, and the name of the person who made the amendment. As the attendance register is a record of the pupil's presence at the time it was taken, this register will only routinely be amended where the reason for absence cannot be established at the time it is taken and it is subsequently necessary to correct the entry.

9. Monitoring and Intervention

Data from the Attendance Register is monitored to identify weekly attendance patterns and trends and to deliver intervention and support in a targeted way to pupils and families. Identifying the pupils who need support will not just focus on persistent and severe absence, but the school will also seek to identify pupils who can be supported earlier before patterns become entrenched.

The school will work with parents and pupils and relevant school staff such as the SENCO, if appropriate, to identify particular barriers to attendance and to put in place appropriate support. Support will be tailored to the individual circumstances of the pupil. As a general guide, the following principles will be followed:

- At 92% attendance (soft trigger) a phone call to parents is made from the Pastoral Team/class teacher in Prep/Senior School, asking parents if they are aware of their child's attendance and quoting their percentage. They will be asked if they require any support from the school and to contact form tutors/class teachers if necessary.
- At 90% attendance (Stage 1) a letter will be sent asking parents if they are aware of their child's attendance and quoting their percentage. They will be asked if they require any support from the school and to contact us if necessary. The letter will be signed by the Head of Key Stage or Head/Deputy Head of Prep/Headmistress and copied to the Form tutor and the Assistant Head (Pastoral).

- No improvement from Stage 1 or less than 90% attendance (Stage 2) leads to a phone call inviting parents into school to discuss their child's attendance with the Head of Key Stage and Head or Deputy Heads of Prep/Headmaster in order to see a significant improvement in the next half term. A Stage 2 action plan will be completed by the Head of Key Stage. The clear message should be that without an improvement in the next half-term a meeting will be scheduled with a member of the SLT or PLT and a member of the LGB from the Welfare Committee.
- No improvement from Stage 2 or less than 85% attendance (Stage 3) is classed as persistent absenteeism. A letter advising the parent that the school is no longer going to authorise absences without medical support will be sent if the Stage 2 action plan targets have not been met. Parental consent will be sought to contact the family GP or the Senior Clinical Medical Officer (SCMO) to cover absences from school. A further meeting with a Senior Leader and a member of the LGB from the Welfare Committee is needed in order to create a Stage 3 action plan. The school could choose to buy in support from Education Welfare Services at this stage.
- No improvement (Stage 4) – this must be referred to Education Welfare Services at this stage and should go to an Attendance Panel with EWS support.
- Home visits may be conducted if absence is unexplained or safeguarding concerns are raised about a child who is not attending school.
- Attendance panels may be convened with families and senior leaders.

10. Additional needs

It is acknowledged that some pupils may find it harder than others to attend school, for example, those with special educational needs, disabilities, medical conditions, and/or social, emotional, and mental health difficulties. In such cases the school will work with those pupils and parents to try to remove barriers to attendance and to put the right support in place.

Where appropriate, this will include considering what reasonable adjustments can be made to remove any potential in-school barriers to attendance. Where it is in the pupil's best interests, a temporary part-time timetable can be considered part of a re-integration package to meet the child's needs and encourage regular attendance at school. This may be appropriate where a pupil is unable initially to attend full-time education. A part-time timetable will not be treated as a long-term solution and there will be pastoral support and other programmes running alongside the part-time timetable to encourage full-time attendance.

Where a pupil has an education, health, and care plan (EHCP) the school will communicate with the local authority where the pupil's attendance falls or the School become aware of barriers to attendance that relate to the pupil's needs.

The school may, in limited circumstances, with the agreement of parents, provide remote education to enable pupils who are well enough to learn but unable to attend the school site for a time-limited period. In such cases, the pupil will be recorded as absent using the most appropriate absence code.

11. Safeguarding and Attendance

All pupils

Persistent or unusual absence patterns may be indicators of safeguarding concerns. The Designated Safeguarding Lead will be informed if:

- A pupil is absent without explanation for more than two consecutive days.
- A pattern of concern arises.
- Follow up action in such cases may include a referral to children's social care.

12. Data Collection and Reporting

- Attendance data is reported to the Local Governing Body and United Learning on a regular basis.
- Individual pupil attendance is included in school reports.
- The school is legally required to share information from the registers with the local authority. This includes:
    - New pupil and deletion returns outside of normal transition time.
    - Attendance returns (where a pupil has 10 consecutive days of unauthorised absence)
    - Sickness returns (where a pupil is unable to attend because of sickness and there are reasonable grounds to believe that the pupil will have to miss 15 consecutive or cumulative school days or more in one school year)
- The school must provide specific pupil information on request to the Secretary of State and inspectorates.
- Where appropriate, the school is expected to inform a pupil's social worker and/or youth offending team worker if there are unexplained absences.

13. Attendance Strategy

This policy supports the attendance strategy of Tranby which aims to promote a culture of high attendance that supports pupil welfare and educational outcomes such that all pupils are accounted for and supported to access their full-time education entitlement. The School seeks to ensure that attendance is accurately recorded, monitored, and reported, and that our systems and processes are designed to help reduce absences and to identify and address patterns of persistent or severe absence, including for pupils with SEND or health needs, through early intervention and partnership with families.

14. Policy Review

This policy will be reviewed annually. It will be monitored by the Senior Attendance Champion and updated and revised if necessary, during the annual cycle.
