

TRANBY HIGHER EDUCATION, WORK EXPERIENCE, APPRENTICESHIP & CAREERS NEWS

“Opportunities
don’t happen, you
create them.”

Chris Grosser

Mock Interviews

We are organising a programme of mock interviews for our KS4/5 students and we are looking for the support of parents to help make this a worthwhile and meaningful experience for the students. If any parents would be interested in finding out more about this programme and/or offering their services as an interviewer, please contact jo.harding@tranby.org.uk

Tranby Annual Careers Fair 5 March 2025

We are currently looking for exhibitors for our annual Careers/Futures Fair scheduled for Wednesday 5 March 2025. We already have more than 25 organisations signed up but we are looking for more to make it our biggest and best fair ever. Of particular interest would be exhibitors from the creative industries (fashion design, music, theatre, film, tv, architecture, etc.), sports related careers (coaching, sports physiotherapy, marketing, promotion, etc.) and medical, veterinary and dentistry. Please share with your contacts in these fields and/or email jo.harding@tranby.org.uk for more information.

TRANBY
EAST YORKSHIRE

WORK EXPERIENCE & SKILLS

If you have arranged a **work experience placement** for yourself please ensure that Mrs Harding has been informed so that the correct administrative checks be put in place prior to the placement going ahead. See [here](#) for 5 questions you should ask whilst on Work Experience.

Medical Work Experience

Work experience is essential to the journey toward a healthcare career. It provides **aspiring medical professionals** with invaluable insights into the field and allows them to gain practical skills and knowledge. Many often wonder when the best time is to start medical work experience and how age might impact the experience. This [blog](#) explore the benefits and challenges of medicine work experience.

Springpod Sprints Virtual Work Experience Programmes

Springpod now has a range of short online work experiences lasting between 30-90 minutes called Sprints. Key features are:

- Interactive brief setting a realistic task from industry experts
- Help students understand how to tackle day-to-day work based situations
- On demand
- Feedback delivered by employer showing how they would have approached the task

Click [here](#) to access all 21 programmes.

Work Experience Information Evening for Parents

Tuesday 14 January 2025 will be the Work Experience Information Evening for Parents of students in Years 10-12. A letter of invitation has gone out to parents via email and parents wishing to attend should register to attend via the link included in the letter. The evening will be an opportunity for students and their parents to learn about our Work Experience programme and ask questions. In the meantime, check out this [Parents' Guide to Work Experience](#)

Unifrog Apprenticeship Fair 12 February 2025 from 16:00-18:30

Unifrog's popular virtual Apprenticeship Fair is back for National Apprenticeship Week 2025 (10–14 February 2025). Students are invited to meet up to 40 employers in two hours. From finance to healthcare, and retail to the armed forces, your students can discover opportunities in a diverse range of sectors at all qualification levels from intermediate to degree apprenticeships. Last year, over 1,000 students joined the fair. Parents are also welcome to come along and listen to live sessions and chat directly to employers. [Sign up now.](#)

Airbus Apprenticeships

At Airbus, their people work with **passion** and **determination** to build and create incredible products – perhaps an aircraft you may already have flown on, or the satellites that help keep you connected! Airbus are looking for people who have a passion for learning and want to work in an industry that is always looking to the future.

The highly technical nature of the aerospace industry has created a huge demand for skilled and qualified specialists in the UK. That is why, at Airbus, they have carefully designed their apprenticeship programmes to give you **valuable practical training while you complete your studies.**

Applications are open so find your apprenticeship [here](#)

Forvis Mazars Apprenticeship Programmes

Forvis Mazars is thrilled to offer award-winning Apprenticeship Programmes, designed for students ready to dive into finance, accounting, and consulting. These programmes provide an excellent alternative to university, equipping students with on-the-job training and the chance to earn a professional qualification while they work. Their apprenticeships span key areas, including **Audit, Tax, Consulting, and Financial Advisory**, allowing students to explore their interests and develop essential skills. Find out more [here](#).
