## National Apprenticeship Week 5-11 February 2024

A week-long celebration that brings together businesses and apprentices across the country to shine a light on the positive impact that apprenticeships make to individuals, businesses and the wider economy. At Tranby we pride ourselves on ensuring the students are aware of all the exciting opportunities that are becoming available. The theme for [NAW](#) this year is '[Skills for Life](#)' reflecting on how apprenticeships can help individuals to develop the skills and knowledge required for a rewarding career, and businesses to develop a talented workforce that is equipped with future-ready skills.
