

TRANBY HIGHER EDUCATION, WORK EXPERIENCE, APPRENTICESHIP & CAREERS NEWS

May Careers Breakfast Meeting—Interior Design

Our next Careers Breakfast Meeting will feature Michèle Wraith, local Interior Designer and owner of Interior Design company **An Eye For Design**. Michèle will be joining us at 08:00 on **Thursday 2 May** to talk about her pathway into, and her career in Interior Design. All students are welcome to attend but it will be of particular value to students interested in studying and/or pursuing a career in art and design or running their own business. Click [here](#) by Thursday 25 April to register.

Career of the Month

In conjunction with our visit from Michèle Wraith, this month's career of the month is Interior Designer. Click [here](#) for more information about what the job entails.

Interior Design Resources in Unifrog

Unifrog has a fantastic range of resources for students with everything you need to know about Interior Design from TV series to podcasts and webinars. Click this [link](#) to take you to the full Unifrog catalogue. You will need to log into your account to access the resources.

WORK EXPERIENCE & SKILLS

If you have arranged a work experience placement for yourself please ensure that Mrs Harding has been informed so that the correct administrative checks be put in place prior to the placement going ahead.

WORK
EXPERIENCE

Huttons Ambo Excavation 27 July—11 August 2024

If you have an interest in local history and/or archaeology then this summer project could be just the thing for you. The project will provide a unique opportunity to look at a village that dates back to over 6000 years and is recorded in the Domesday Book. The project will be using the most up to date archaeological techniques under the supervision of experienced and highly qualified archaeologists. To read more about the project click [here](#) and to register your interest to take part, click [here](#).

Skills Map

Have you ever wondered what the subjects that you study at school have to do with the world of work and your future career? Well, wonder no more. Click [here](#) to access Skills Map for learners and see which transferable skills you are developing in each of your school subjects.

Sports Industry Career Learning for 15-17 year olds.

This is a five day residential at Oundle School, Peterborough where you will have the opportunity to participate in coaching, sport law, sport psychology, nutrition and football journalism workshops all led by industry professionals. The cost is part funded by the government and costs £95 to attend but that does include the workshop programme, all meals, accommodation and transport from selected travel hubs. Contact jo.harding@tranby.org.uk for more information and details on how to book.

John Lewis Work Experience

Build new skills and gain experience with JLP's work experience programme. The programme includes modules in Buying, Distribution & Supply, Team Management and Sustainability. For more information and to sign up click [here](#).

Springpod Virtual Work Experience Programmes

Check out Springpod's latest VWEx programmes [here](#). The programmes usually involve 10 hours of work which you can complete at a time to suit you. Use your school email address so we can track your progress and add it to evidence of your coverage of Gatsby Benchmark 6

This event is a fantastic opportunity for students who are interested in learning more about Oxford's language courses, or who are still considering their options. This Open Day will cover ALL of their languages: French, German, Spanish, Italian, Russian, Portuguese, Modern Greek, Czech (with Slovak) and Polish. (Some from beginner level). The day includes a Q&A.

When: 11 May from 10:30-16:00

Who: Year 11-12

Where: Department of Modern and Medieval Languages, Oxford.

Links: Students can find out more [here](#) where places can be booked.

Deadline midnight 8 May 2024. Questions to schools.liaison@mod-langs.ox.ac.uk

The Yorkshire Dental Schools Summer School A DSC Summer Schools Programme

University of Leeds & Sheffield Online
Dental Summer School for Year 11's
25-27 June 2024

Participants will experience talks and workshops including mock clinical scenarios, learning about tooth morphology, common oral conditions and gain an insight into the roles and working lives of different members of the dental team. They will gain knowledge, skills and confidence to help them build a strong application to support their future ambitions. The summer school will be supported by student ambassadors, academics and alumni from both universities. [Find out more and apply on Leeds' Health Sciences outreach page.](#)

HIGHER TECHNICAL QUALIFICATIONS

WEBINAR FOR YEAR 12 AND 13 PARENTS AND CARERS
Wednesday 24th April 6:00-6:30pm

If your child is looking for a post-18 qualification that is flexible, job-focused and an excellent way to progress to a higher/degree apprenticeship, a full degree or a highly-skilled job, join this webinar all about **Higher Technical Qualifications (HTQs)** run by Amazing Apprenticeships on behalf of the Department for Education, especially for parents and carers.

HTQs are:

- Level 4 and 5 qualifications, such as HNCs, HNDs and Foundation Degrees
- Approved against employer-developed standards for specific job roles
- A high quality alternative to traditional routes such as apprenticeships or full-time degrees
- Taken after a level 3 qualification, such as A-levels, T Levels or BTECs or to upskill during your career

Visit <https://tinyurl.com/bp4swx7t> or scan the QR code to register to join the webinar

Higher Technical Qualifications

This webinar is running especially for parents and carers. The webinar, on **24 April** at 18:00, will help parents and carers to understand and explore Higher Technical Qualifications (HTQs) and the opportunities they present.

Click [here](#) to register for the Zoom webinar.

BBC Bitesize Careers

Whether you're deciding what to study, planning your future career or just curious about the world of work, BBC Bitesize are here to help with advice from experts and from young people who've found a path that suits them. Click [here](#) to access all their content

Parent and Carer Guide to Engineering Careers

Help encourage your child's STEM skills, passion and talent with our parents' guide to engineering careers. Download the booklet for free [here](#)

If your child has arranged a **work experience placement** for themselves please ensure that Mrs Harding has been informed so that the correct administrative checks be put in place prior to the placement going ahead.
